

How Online Interior Design Works

You're just a few quick steps away from creating your wow-worthy home!

1.

Get matched with your own expert Interior Designer

Complete the easy design brief to be paired with your design soulmate, conveniently online!

Tell us your preferences, set your budget and upload your room details. We'll then match you with the best professional interior designer for your requirements.

Collaborate one-on-one

2.

Collaborate one-on-one for up to three weeks, including two video calls. Tell us what you love (and don't) and your designer will dazzle you with inspiration and ideas for transforming your space and optimising your room layout.

3.

Furniture sourcing

Furniture sourcing. Once you're happy with the design direction and room layout, your professional interior designer will source the items and finishing touches, with your budget in mind. You'll be given multiple options for each item.

4.

Design delivery

Kick-back and view your final room design complete with moodboard, 2D visuals, furniture recommendations, video presentation and top tips. You'll have 2 weeks to ask your designer questions.
