

# How we can help you achieve your dream kitchen

We can help you with a general kitchen layout to take to your chosen kitchen supplier.

We'll also outline the design direction of the room including cabinetry styles and colours as well as worktops.

Lastly we'll specify the finishing touches like hardware, lighting, tiles and additional furniture.

2D VISUAL & MOOD BOARD

LAYOUT PLANNING

FURNITURE SOURCING

FINISHING TOUCHES

TILES & HARDWARE

You will need to work with your chosen kitchen supplier to do the detailed cabinetry layouts and selection. Each has their own specific software package to do this. Your chosen kitchen supplier will also guide you on your appliances and budget.
